VISION

Carve out a niche position for JIOMEX group of companies in the Indian Automotive aftermarket by creating a participatory business models of diverse range of products. Create a strong brand franchise and provide a congenial platform to roll out new businesses. Strive to achieve high level of Associates and customer satisfaction by defining a well-defined implementation and monitoring mechanisms. Actively engage in CSR to support the causes of social needs by setting aside a portion of profits.

MISSION

Our mission is to make new forays into Indian Automotive aftermarket through a range of high quality products and accessories to fill the void of the value proposition to the mobility user and build a strong network of business partners for a healthy and mutually beneficial engagement to double the revenues every 3 years.

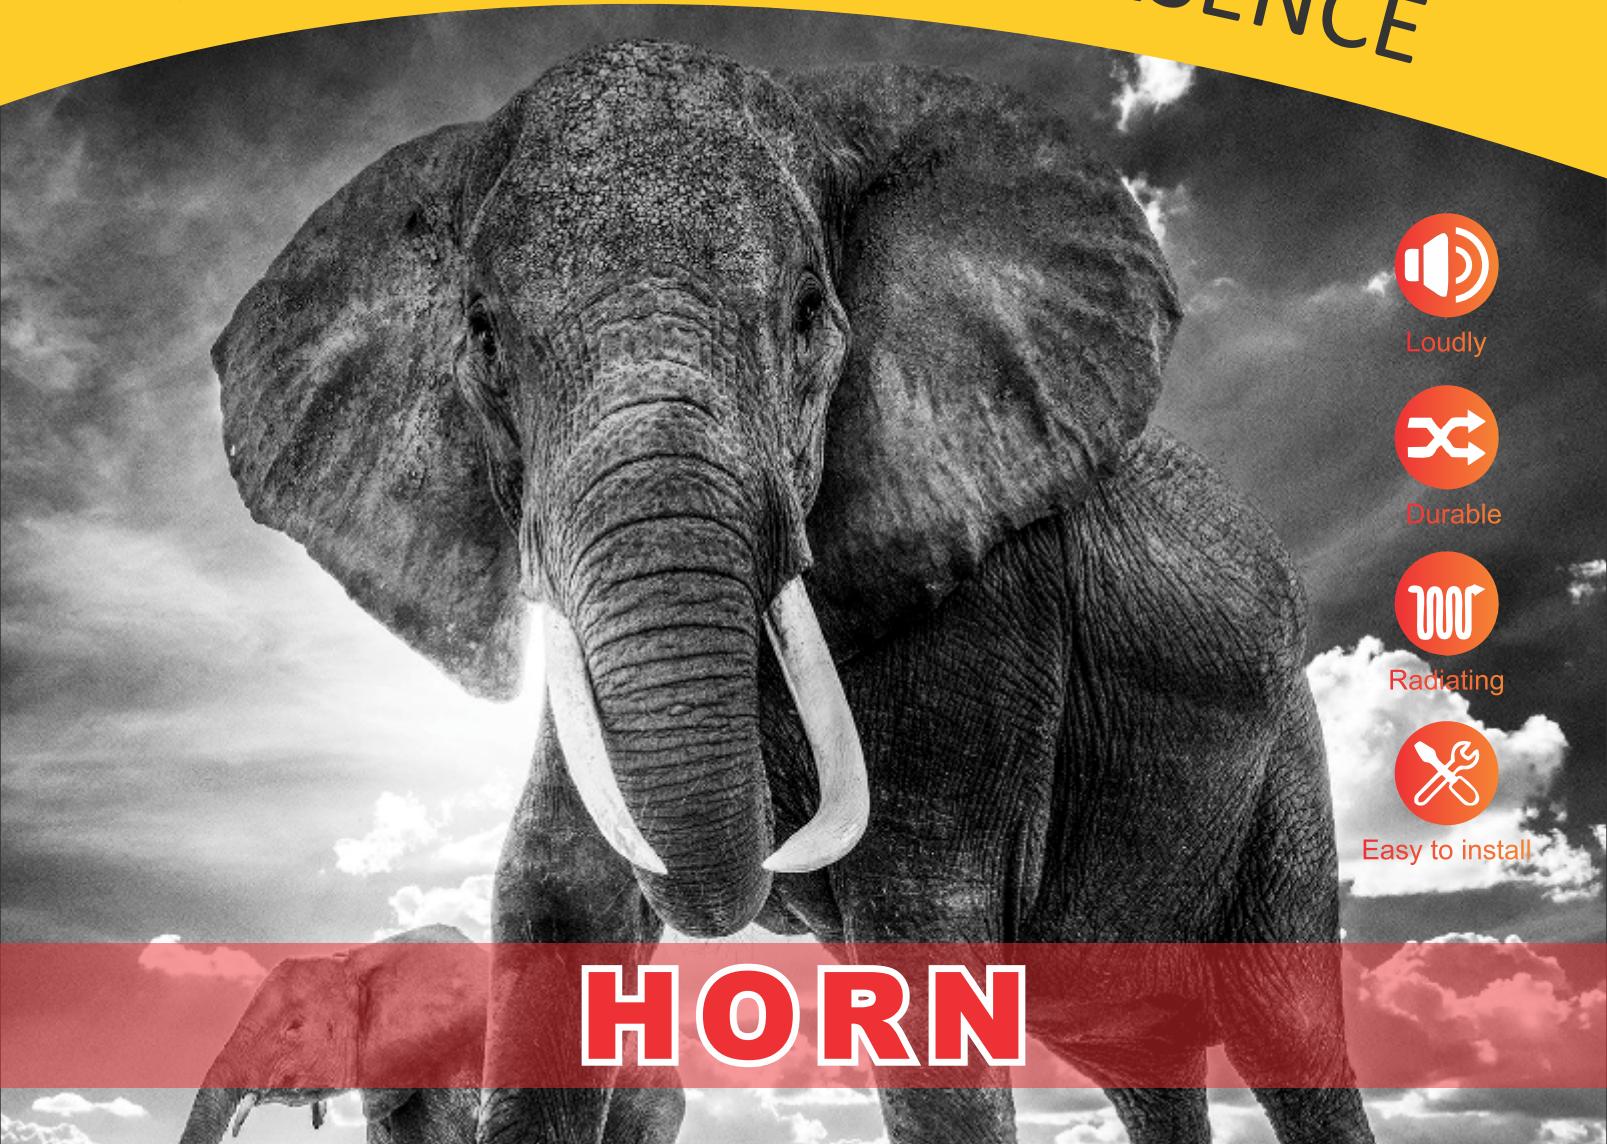

OUR PROMISE

*Growth is what we are working for
and what we promise.
